Subject: Just for the record on air in 14th floor

---

*I came in at 8 am after being gone for a week with no symptoms and visiting a multitude of places, and not having any symptoms. By 2 pm I had somewhat of a sore throat and hoarseness and moved down to library. While the intensity of the odor may not be as obvious, whatever is in the 14<sup>th</sup> floor air is not going away fast enough for me.*
